Holly Brookins
Kelly Stinson

I. Welcome

II. Approval of March 1st Meeting Minutes

Approved.

III. Principal Update

Students returned this week. We were able to keep all students with their teachers and brought back one teacher in person.

Will be sending out survey/teacher personality request forms to allow parents to have input in the teachers that will work

IV. SLT Update-Kelly

Haven't met since Kelly reported to us last—meeting next week. Will be discussing Second Grade Ceremony at the meeting.

V. PTA Succession Plan and Election- Haley

We have someone interested in being Treasurer. Other positions still open. Dr. Brookins will find out when we can get kindergarten parent emails to do direct recruiting to the new parents. April to send direct email to Room Parents again asking for people to step up. We have two potentials for Co-Presidents.

VI. Teacher and Staff Appreciation Week (April 26-30)- April, Nydia, Sam

Monday will be yard sign in front of school. Tuesday is snack bags for teachers. Wednesday is letters to teachers. Thursday is gift baskets. Friday is video to be shown at Crew of kids answering questions re why they love their teachers.

Will start collecting letters in envelopes for teachers on Monday, April 19th.

Communications regarding creating videos will go out next week. Will send list of teachers & staff with it.

VII. School Supplies-April

Getting pricing on bulk but will likely do packs to students have individual supplies for Covid safety. Dr. Brookins looking at quote again to see if we can lower the costs for the parents. Will send out email to parents with information next week.

VIII. Second Grade Graduation

SLT will be discussing at next meeting. Dr. Brookins doesn't want anything in person, unless possibly one outside. We would like to find a time to allow the kids to walk through the halls of the school again. We could give them Talley t-shirts when they leave. Could do popsicles outside. Suggestion of drive-by parade as graduation with teachers waving, etc. Possibility of doing outdoor graduation by class.

IX. Other Business (End of the Year Celebration?)

End of year parade by teachers? Discussed possibility of student parade but concern about whether pod student would be able to participate.

X. Next Meeting/Wrap Up

Next meeting May 3, 2021.
